Calling All Trinity Lutheran School Alumni

A new alumni database is being formed and if you've graduated from Trinity Lutheran School you won't want to be left out!!! In the coming months special quarterly newsletters, created just for you; a Facebook connection; a special page on Trinity's website at Trinitycp.org and a fabulous annual event planned with you in mind, are all heading your way. There are two ways to get into this fun database. The first is to e-mail Susan Magruder, new Development Director for Trinity at magruders@trinitycp.org. The second way to make sure your information makes it into the database is to fill out the form below, drop it in Susan's mailbox behind the counter in the atrium or put it in the mail to the attention of Susan Magruder. If you have family members or friends who have graduated from Trinity, please pass this information on to them as well (or fill in the blanks below with their contact info).
