Skiing, snowboarding and great winter recreation at Timber Ridge Ski Area of Michigan. A family-owned winter recreation facility offering; downhill skiing, snowboarding, snowtubing, terrain park. 60 skiable acres serviced by 4 chair lifts, and 5 surface lifts.

Atop the snowy peaks of Michigan, we will engage upon the study of Habakkuk 3:3 and Romans 4:7. Being away from your normal environment in a brand new location, we will be able to meet God with few distractions and surrounded by Christians as we, together, discuss the depths of being "covered".
